Ms. Fernandez's Wish List

Dear Parents:

Let me begin by saying that it is our honor to serve your children. I can assure you that I will always do my best to teach them and keep them safe; I'm sending you a wish list for your children to have the necessary educational supplies for the school year. I believe that parent's involvement and support is essential for your children to have a safe environment and effective school year.

Sanitary Items:

It is imperative to keep the classroom clean in order to prevent children from getting sick; I ask you kindly to please send 4 of each of these items so that your children can use them throughout the school year. (Each student will have these items labeled and it will be solely for their personal usage).

- Hand Sanitizer/Hand Soap/ Lysol Spray

- Tissue paper (Kleenex)
- For Girls : Sanitary Pads and Regular bathroom Wipes

Educational Supplies:

- White Copy paper (4 reams per student for the entire year for weekly homework)
- Pencils (6) per student. Eraser (1), crayons(1), glue stick (1), Elmer's glue (1)
